A Story of Faith Gone Courageous

D.C. LEE

"I just wanted to let you know that I've been reading your book *Let The Children Come* and it's...wrecking me so far. In the best way. The writing is so so good, and the Lord is speaking to me through it. Thank you for writing this story!" — Madi Davis, YWAM Boston

"When was the last time a fiction book was able to: 1) personally encourage you, 2) stir up a desire for the things of God, 3) give a great example of God working through obedience, and 4) provide such a fascinating adventurous read that you couldn't put it down? You get all that and more in *Let The Children Come!*" — Brance Barker, Administrative Pastor at Duncanville First Baptist Church

As John Parker begins his junior year at Tennessee Christian University and prepares to lead the Lumberjack basketball team to another championship season, a Monday morning chapel message changes everything. The events that unfold wake up a college town from its spiritual slumber, unleash signs and wonders in the jungles of South America, and set loose a revival around the world!
